March 2011

Welcome to our "Spring" issue, unfortunately it does not feel like Spring or look like Spring because outside my office window is a new blanket of snow! However, I do like March and all it has to offer. Community Title celebrates 10 years of business, this coming weekend Daylight Savings Time Begins, March Madness immediately follows, St. Patrick's Day, and March 20 is the first day of Spring!

What is new at Community Title?

February we launched our new website to kickoff the celebration of our 10th Anniversary. I hope you have had the opportunity to visit our website and view our new features especially the "Resource" page. (www.communitytitlellc.com)

We would love to hear how you use our website, or suggestions for additional features. Send your comments or suggestions to whansen@communitytitlellc.com.

The Realtor Blitz was a success and we handed out over 160 Blue Spruce trees, our way of saying "thank you for helping us grow." Don't forget to water them!

Thank you to everyone who stopped by our booth at the Realtor Blitz and entered our drawing. The BIG WINNER...Congratulations to Heidi of Stark Company - Sun Prairie, the winner of the Johanssen's Gardening Basket and Gift Certificate.

Thank you to the employees for getting their hands dirty, planting, and potting over 300 Blue Spruce trees, cutting jute string, burlap squares, and finally the 10th anniversary tags were handmade by the employees. If you have not received your thank you tree send me an email and we will deliver one to you. Only available while supplies last.
